

Catholic Schools & Scholarship Guide

The Department of Catholic Education provides the following guide for parents to consider sending their children to Catholic school.

A Catholic school education may be more affordable than you think with the help of the Step Up for Students scholarships.

Step Up for Students offers both income-based and special needs scholarships.

INCOME-BASED SCHOLARSHIP

The two scholarships available for lower-income students are the Florida Tax Credit Scholarship and the Family Empowerment Scholarship. Both scholarships give a student the opportunity to choose the best school that meets their K-12 learning needs.

SPECIAL NEEDS SCHOLARSHIP

The Gardiner Scholarship helps families customize their educational experience for children with special needs between the ages 3 through 22, and allows parents to use scholarship funds toward a combination of approved programs and providers that best meet with child's unique learning needs.

To learn more about these scholarships and to apply, visit www.StepUpForStudents.org/catholic. Program funds are limited and are available on a first-come, first-served basis.
